SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT (sIDS)

Dear Sir:

In accordance with 37 C.F.R. § 1.97, Applicants hereby make of record the following additional documents. A PTO Form SB/08 and a full copy of each of the documents required under 37 C.F.R. § 1.98(a)(2) accompany this statement (but see comments regarding references C5-C7 and C11 below).

Applicants have not submitted copies of each cited U.S. patent and U.S. patent application in accordance with 37 C.F.R. § 1.98(a)(2)(ii). Applicants submit herewith copies of foreign patents and non-patent references in accordance with 37 C.F.R. § 1.98(a)(2).

Please note that copies of the listed references C5-C7 are not provided, because these references have been considered previously by the Examiner as part of the IDS submission on April 14, 2006, when Applicants brought to the Examiner's attention references cited in the supplemental EPO Search Report. However, these references were not individually listed in the SB/08 form at that time, and are thus listed herein again for proper citation.

Please also note that a copy of the listed foreign language reference C11 is not provided at this time. The relevance of this reference, as is currently understood by Applicants, is that it was cited by an opponent (not Examiner) during the prosecution of a corresponding Chilean

application. According to the brief filed by the opponent, this document is a copy of the Spanish version of the Medical encyclopedia, Medline Plus (US National Library of Medicine 2002), where Dr. Neil Gonter from the Suny Downstate Rheumatology Department (Brooklyn, NY) states that arthritis, that is a joint inflammation, can appear for different reasons, as an autoimmune disease. So far, the Chilean patent office has not provided Applicants a copy of the cited reference, despite repeated requests from Applicants' local representative. Applicants will provide a copy of the reference when / if Applicants receive the same from the Chilean patent office.

Please also note that a copy of the English translation of the German-original reference C1 has been provided herein. The translation was provided by the Examiner during the prosecution of a co-owned application.

This statement is not to be interpreted as a representation that the cited documents are material, that an exhaustive search has been conducted, or that no other relevant information exists. Nor shall the citation of any document herein be construed *per se* as a representation that such document is prior art. Moreover, Applicants understand the Examiner will make an independent evaluation of the cited documents.

This Supplemental Information Disclosure Statement is filed under 37 C.F.R. § 1.97(b), on the same day a Request for Continued Examination (RCE) is filed.

Applicants also wish to bring to the attention of the Examiner the following related applications and issued patents:
